LEXINGTON STATE HARBOR MASTER PLAN, 2021

This Park Concept Plan was developed in late 2019 in conjunction with the overall Lexington Harbor and Marina Redevelopment. The Plan was included in the Master Plan published in 2021.

- A New park space
- B Dedicated marina parking (24)
- (C) Relocated underground fuel tank
- (D) Marina drop-off
- (E) Renovated boater services building:
- F Harbor promenade
- G Federal navigation channel
- H Renovated marina with ADA gangway, floating docks, new slips in varying lengths, broadside mooring, new fuel dock

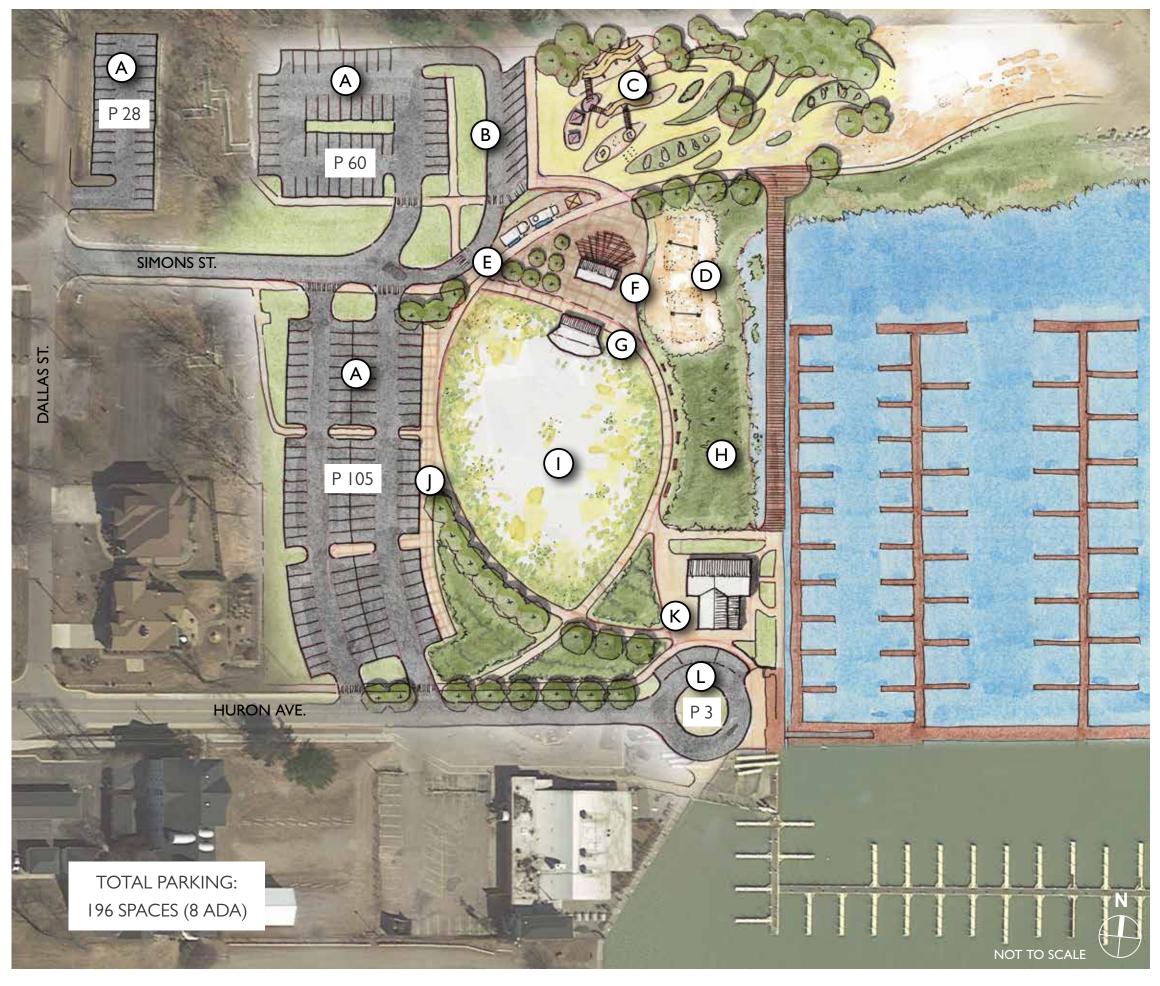

— Concept Plan Alternatives Alternative A

LEXINGTON STATE HARBOR UPLAND MASTER PLAN at Tierney Park, September 2023

After public Visioning Sessions and stakeholder interviews in August 2023, three Concept Plan Alternatives were developed and presented to the community. Alternative A maximizes park space and has the least parking.

- A Public parking (Marina parking TBD)
- B Beach parking/drop-off
- C Play area
- (D) Volleyball
- E Vendor plaza
- F Restroom/concessions with shade
- G Band shell with green room/storage
- (H) Shoreline plantings
- Lawn: 0.8 acres
- Golf cart parking/pullout
- K Existing boater services building
- Marina drop-off with ADA parking

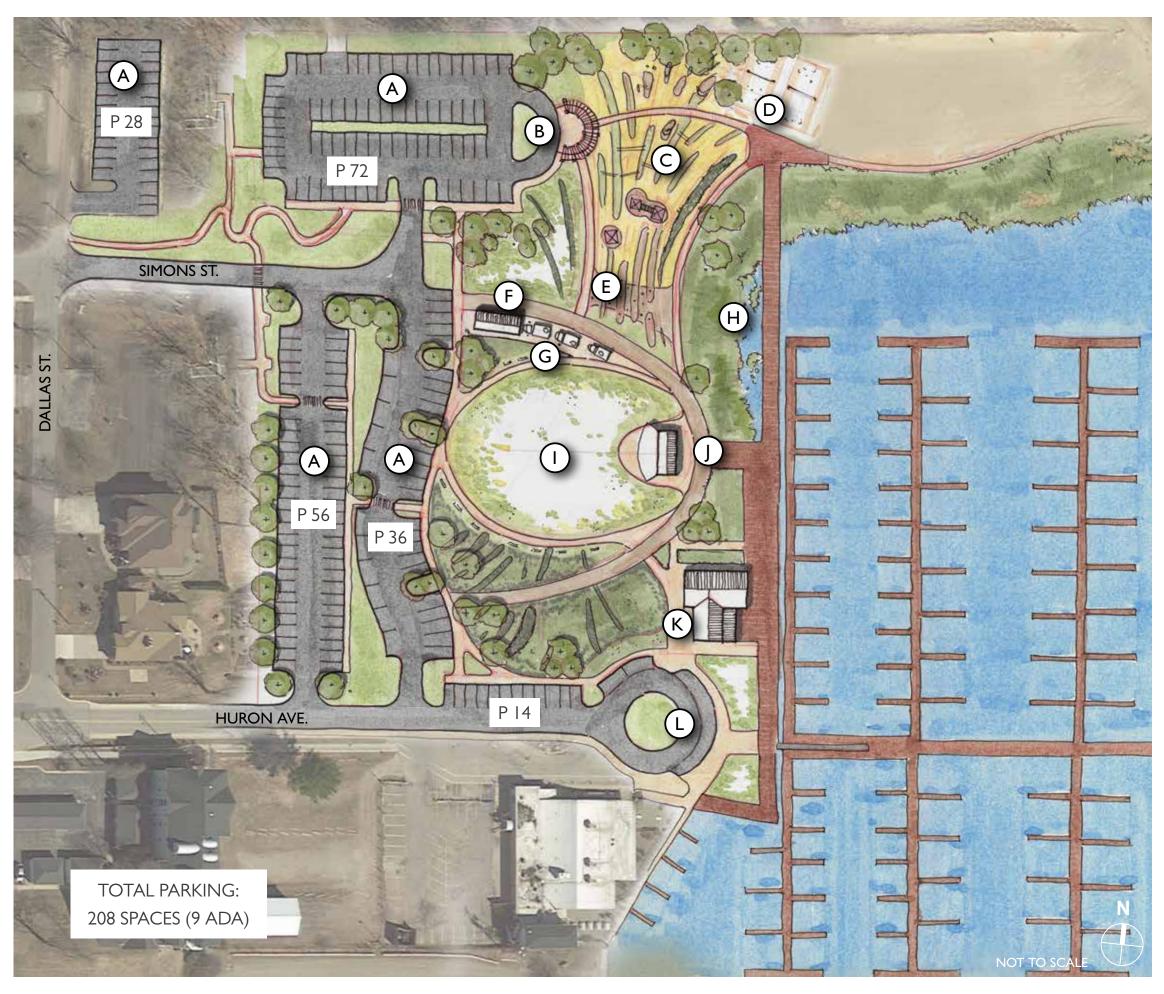

— Concept Plan Alternatives Alternative B

LEXINGTON STATE HARBOR UPLAND MASTER PLAN at Tierney Park, September 2023

After public Visioning Sessions and stakeholder interviews in August 2023, three Concept Plan Alternatives were developed and presented to the community. Alternative B balances green space with parking, and places emphasis on play areas and recreation.

- A Public parking (Marina parking TBD)
- Beach drop-off with shade
- C Play area
- (D) Volleyball on beach
- E Splash pad
- (F) Restroom/concessions
- G Vendor plaza
- (H) Shoreline plantings
- (I) Great lawn: 0.5 acres
- Band shell with green room/storage
- K Existing boater services building
- Marina drop-off with ADA parking

— Concept Plan Alternatives Alternative C

LEXINGTON STATE HARBOR UPLAND MASTER PLAN at Tierney Park, September 2023

After public Visioning Sessions and stakeholder interviews in August 2023, three Concept Plan Alternatives were developed and presented to the community. Alternative C places emphasis on ease of vehicular access, and has the most parking of all options.

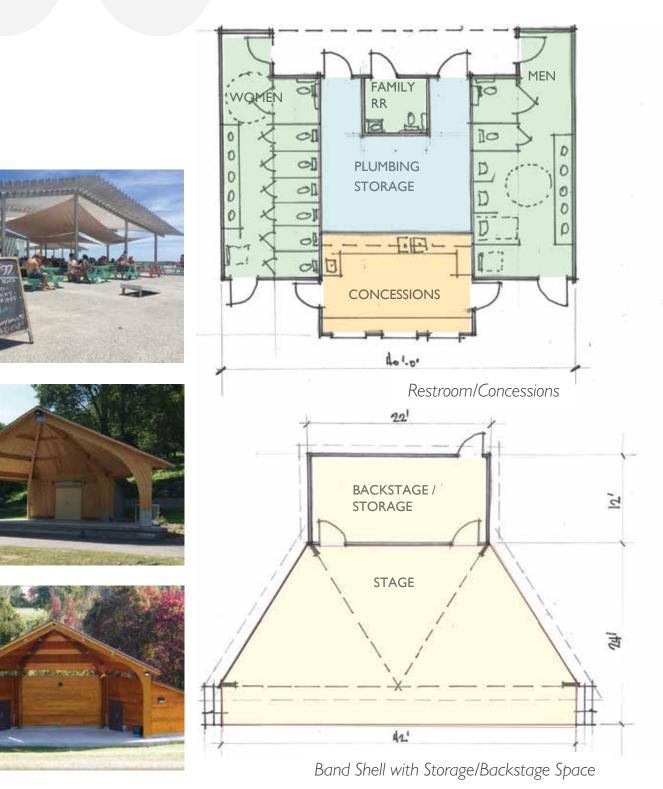

- A Public parking (Marina parking TBD)
- B Beach drop-off
- (C) Play area
- D Beach picnic area
- (E) Band shell with concessions and restroom
- (F) Second small restroom
- G Shoreline plantings
- (H) Lawn: 0.5 acres
- (I) Existing boater services building
- Marina drop-off with ADA parking

LEXINGTON STATE HARBOR UPLAND MASTER PLAN at Tierney Park, December 2023

After public review of the Draft Consensus Plan, stakeholder and public comments were incorporated to create a Final Consensus Plan, which was shared via Village website on 12/6/23. This plan shows the most up-to-date marina layout with two gangways.

Public Parking with EV Charging Station: 47 Spaces

E Public parking: 78 spaces

(F) Public Parking: 30 Spaces

G Stormwater Bioswales

Covered Picnic Pavilion/Amphitheater with Stage and Backstage Areas

Restrooms, Concessions, Shade Pavilion, and Wall-Mounted Drinking Fountain

Food Truck and Tierney Sculpture Plaza

Beach Picnic Area with Tables, Shade Structures, Grills, and Footwash

(L) Play Environment

M Beach Volleyball Court

N Renovated Stairs to Top of Bluff (2)

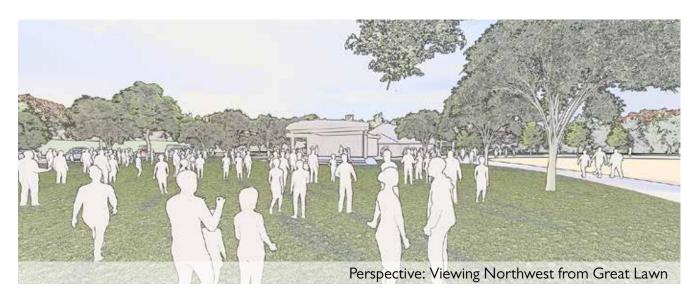

— Consensus Plan FINAL: Lighting Study

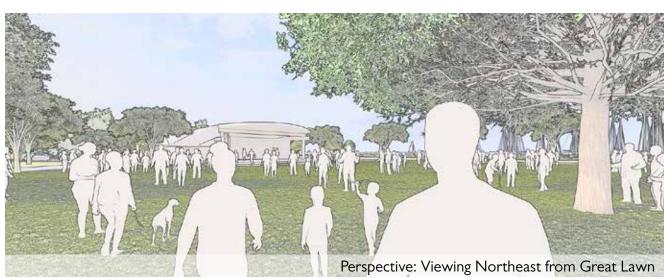

LEXINGTON STATE HARBOR UPLAND MASTER PLAN at Tierney Park, December 2023

This plan shows an initial lighting study with pedestrian light fixtures along key walkways and parking lot light fixtures along roadways and in parking lots. No photometric plan measuring light levels with specific light fixtures has yet been completed, the plan is conceptual only and subject to changes pending additional study.
