

DOING BUSINESS IN THE HISTORIC VILLAGE OF LEXINGTON

The Lexington Downtown Development Authority (DDA) encourages new business and investment in the Village. A business recruitment guide has been developed with demographic information and available incentives. A Façade Grant and Loan Program is available within the DDA District. The Village Master Plan, zoning and sign ordinances are available on villageoflexington.com. Event information is available on lexingtonmichigan.org. For information, contact DDA Administrator, Kristi Hazard at 810 359 2771 or lexdda@att.net.

The Demographics

Village Population 1,178

Sanilac County Population 43,114

Population within 20 minutes—St. Clair County 160,000

The Blue Water International Bridge to Sarnia, Ontario is 22 miles away with a population of 72,300; Lambton County population is 123,000.

By focusing on a vibrant downtown; an active event schedule; enhancing the tourist experience and improving recreational opportunities the Village of Lexington intends to build a strong core of residents, businesses and recreational attractions that support a strong economy.

A great place to do business

THE MISSION OF THE LEXINGTON DOWNTOWN DEVELOPMENT AUTHORITY IS;
TO TAKE LEXINGTON'S HISTORY INTO THE FUTURE THROUGH RESTORATION, PRESERVATION AND PROMOTION.

A Downtown Streetscape Improvement Project is in the planning stage.

The downtown area serves as host to over 80 businesses. Historic B&B's and lakeside cottages welcome visitors year round. An active calendar of events attracts thousands of visitors throughout the year.

Located 82 miles north of the metro Detroit area, Lexington is perfectly situated as the "First resort north" minus the long drive.
