BUSINESS

A. Harbor Redevelopment Presentation – Edgewater

Greg Weykamp explained this meeting is the second townhall meeting of the harbor redevelopment. Weykamp gave a power point presentation of the general area that will be redeveloped. During the presentation, Weykamp pointed out some different possibilities Lexington could incorporate during the redevelopment. Edgewater is looking for feedback from the public. Questions and answers followed. Weykamp stated Edgewater will use each committee's feedback and design what will work best for Lexington. Additional meetings will be scheduled as each step of the process occurs. The link to the power point presentation is listed below and on the Village website.
