

Village of Lexington

Scarecrow Land – Scarecrow Contest

PARTICIPANTS

Anyone can participate. To be eligible for prizes, please provide information shown at bottom of page. Highlight your business, showcase your band, group, friends & family, or anything you can imagine.

TIME & LOCATION

Any parcel within the Village can be used (with the owner's permission). We are encouraging use along Main Street (M-25) and Huron Avenue so people driving through can appreciate the creativity and effort. One major goal is to make our streetscapes alive and fun for the season. Set up anytime between 9/23 and 10/7. Judging performed during the week 10/8 thru 10/14. Award ceremony at 5:00pm on Saturday, 10/28, at a location to be announced soon. Scarecrows remain up through Halloween.

SCARECROW DESIGN GUIDELINES

Keep it decent. Remember there are children around. Be creative. Consider the elements, especially wind; and make it as sturdy as possible.

JUDGING

A panel of 5 Judges will determine winners. Criteria includes (but not limited to) Durability, Cleverness, WOW-factor, best selfie-background, & doubletake-able, fun. We hope to have a social media based people's choice award, too.

PRIZES

Prize money is being donated. The current prize pool is \$500. We expect that amount to grow! Updates will be provided.

Currently: 1st place \$300, 2nd place \$150, 3rd place \$50. This should increase and we hope to add categories, too. Winners and others will be featured on the Village Website.
